We are in business to please our customers, and guarantee entire satisfaction.
The Peacock Dahlia Farms

are the original American Dahlia Specialists established in 1884, and are acknowledged the largest in the world, and growers of The World's Best Dahlias.

The address

DAHLIALAND, N. J.

is exclusive, being the only post office in the world by that name.

"DAHLIA CULTURE" 1930

By Lawrence K. Peacock
Author of "The Dahlia"
(5 editions)

First secretary of the American Dahlia Society at its organization in 1895 and acknowledged authority on Dahlias for 37 years.

POCKET EDITION — This convenient little treatise is devoted exclusively to the successful cultivation of the Dahlia. It tells plainly what to do and how to do it. Also a lot of what not to do. It gives particular attention to disbudding, with educational illustrations that are self evident, clear, concise and practical; by a grower who has never failed to have a crop of the best commercial as well as exhibition blooms in his 46 years of experience. Convenient size, 9 x 4 inches, 32 pages.

This little book covers the information asked for in thousands of letters and makes successful Dahlia culture easy. The illustrations on disbudding are particularly instructive. By mail postpaid, 25 cents.
